

Attention Perry Johnson Laboratory Accreditation, Inc. Clients –

After careful review of guidance issued by ILAC, as well as our own internal determinations, PJLA will be handling audits in areas potentially affected by the current coronavirus (COVID-19) situation on a case-by-case basis.

Currently, PJLA is ensuring that assessors and staff traveling from any of the level 3 travel restricted countries are self-quarantine for a minimum of 2 weeks in case of exposure. To mitigate risk, we are encouraging good hygiene practices as well as avoidance of geographical areas considered high-risk.

The health and safety of all is of key concern to us at PJLA and we ask that any clients with concerns or questions regarding upcoming audits or specific policy please contact their dedicated scheduler or project manager.

We thank everyone in advance for their cooperation considering this constantly-evolving situation.

Tracy Szerszen
PJLA President
