PJLA Update Notification

Update Notification # 65
Update Notification Release Date: January 23, 2024
Form/Procedure/Policy: LF-56 AS6171 Working Document

Attention Applicant/Accredited Organizations

We would like to inform you of our most recent update to continuously improved our Testing Accreditation Program. PJLA has expanded the program to include AS6171. The checklist for this has been placed under the resources tab of our website www.pjlabs.com/resources/pjla-documents.

AS6171 is strictly voluntary, and organizations will not be held to additional requirements above and beyond ISO/IEC 17025:2017 unless you request that this specific document be referenced on your certificate.

Organizations wishing to add this requirement to your assessment, should contact PJLA directly.

Thank you!
